BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 55-10-403(c), is amended by adding the following as a new subdivision (4):

Unless the court makes a specific determination that the person is indigent, the expense of such assessment and treatment shall be the responsibility of the person receiving it. Notwithstanding the provisions of § 55-10-403(a)(4)(B), if the court finds that the person is indigent, the expense or some portion of the expense may be paid from the alcohol and drug addiction treatment fund established in § 40-33-211(c)(2) pursuant to a plan and procedures developed by the Department of Health.

SECTION 2. Tennessee Code Annotated, Section 55-10-412(l), is amended by deleting the subsection in its entirety and by substituting instead the following:

(l)(1) If a person convicted of a violation of § 55-10-401, has a prior conviction for a violation of § 55-10-401 within the past five (5) years, the court shall order such person to operate only a motor vehicle or motorcycle, after the license revocation period, which is equipped with a functioning interlock device. The court shall also order such device to be installed on all vehicles owned or leased by the person at such person's own expense for a period of six (6) months.

(2) Any person subject to the provisions of subdivision (1) may, solely in the course of his employment, operate a motor vehicle or motorcycle, which is owned or provided by his employer, without installation of an ignition interlock device, if:

(A) The court expressly permits such operation;

(B) The employer has been notified of such driving privilege restriction; and

(C) Proof of that notification is within the vehicle.

This subdivision shall not apply if such employer is an entity wholly or partially owned or controlled by the person subject to the provisions of this subsection.

SECTION 3. Tennessee Code Annotated, Section 40-33-211(c), is amended by adding the following new subdivision:

(3) If the general sessions or criminal court judge makes a specific finding that the person is indigent and that it is in the best interest of such person and the public, monies in the "alcohol and drug addiction treatment fund" may be used to pay the reasonable cost of leasing, buying, installing, monitoring and maintaining an ignition interlock device that is ordered pursuant to § 55-10-412(l). However, such device shall not be utilized in lieu of treatment of such person.

(4) For the purpose of determining the value of early assessment and treatment, the Department of Health may establish a pilot program in Shelby County for a total of up to fifty (50) residents of Shelby County who violate their DUI probation with a subsequent DUI arrest. The judge of the court may order such individuals to be assessed and treated utilizing the fund and guidelines established by the Department of Health for the pilot program.
